## Revit Programming Introduction Feedback Sheet

We try to provide an excellent service and to help us do this we appreciate your feedback. So please spend a few moments to complete this form.

Your name Osama Sayed Ahmed  
Company name ZFP (Zuhair Fayez Partner)  
Country Egypt  
ADN ID \_\_\_\_\_  
Trainer Jeremy Tammik  
Training location Cairo, Egypt  
Training dates October 9<sup>th</sup> – 11<sup>th</sup> 2010

Feedback	v.poor	Poor	ok	Good	v.good
Content					✓
Documentation				✓	
Presentation style of trainer					✓
How easy was the trainer to understand					✓
Technical competence of trainer				✓	

### Additional Comments:

- \* We need more time to practice specially it's first time using Revit API.
- \* Also this for Revit developers we want more ability to access the core of Revit.
- \* It's very important to access Revit from stand alone "exe" application.

### Additional Comments:

I enjoyed this course very much.

It was very informative.

I'll try to learn more about the Revit Products in the future.
